world with ease and confidence. Durable and dependable, keep your content with you so it's ready to access—whenever you need it—with our ultra-small, portable HDDs and SSDs. Or backup files AND charge multiple devices simultaneously with the password-protected hub in abundant capacities.

Make Your To-Do List Easier

Life's busy, and backing up digital memories is always on the to-do list. Check it off—with One Touch Hub. Password-protected storage with a front-facing USB-C and USB 3.0 port to backup AND charge multiple devices, Windows®/Mac compatibility, and capacities that store countless photos.

Advance Data Encryption

Need a hard drive that goes above and beyond the call of duty? Opt for One Touch Hub with data security. Thanks to its password protection and AES-256 hardware encryption—the same standard used by the U.S. government and global intelligence agencies—you can rest easy knowing your digital life is secure.

Control Your Content with Mylio Photos+

Organize, declutter, and enhance your photos and videos with a 6-month complimentary subscription to Mylio Photos+ plan. Bring your scattered media together in one library that's private and protected—and easily preserve family memories for generations to come.

We've Got Your Back

When the unexpected happens—like water damage or natural disaster—Rescue Services help you defend against data loss and retrieval costs so you can rest easier.
