One of A Kind PC Mode 2.0 with PC-level Productivity

Efficiency Meets Everyday Power Performance That Gets Things Done.

Powered by the Helio G81 octa-core SoC, Active 7 balances solid multitasking and energy efficiency.

Dual AI Cameras with Night Vision Power See the Unseen. Lock Your Safety.

Latest Doke AI-Infused DokeOS_P 4.2 Smarter↑ Personalized↑ Efficiency↑ Fluency↑ Privacy

Industry’s Only Comprehensive After-sales Service

Built for the Wild. Designed for Everyday

With a reinforced chassis forged to endure the harshest elements, complemented by integrated night vision camera and a camping light, Active 7 stands resilient through dust, impact, and darkness, empowering you to navigate, create, and endure wherever life leads.

Industry-leading IP68&IP69K Ratings for Water and Dust Resistance

Bright Dual-beam Camping Light

Bring Where It Matters.

Safe When It Counts.

Whether you’re deep in the wild or on a late-night shift, the Active 7’s dual-beam camping light gives you powerful, reliable lighting whenever and wherever you need it. Designed with wide-angle coverage and multiple modes, it lights up your path, workspace, or tent—keeping your hands free and your surroundings safe.

Lighting That Adapts to Any Situation

The Active 7’s built-in light ensures you can see clearly and stay safe—whether you're navigating in the dark, working hands-free, or handling unexpected situations outdoors.

Seen the Unseen.

Even In Total Darkness

When the sun goes down, the Active 7 keeps going. Equipped with a 20MP infrared night vision camera, it reveals what your eyes—and regular cameras—can’t. Whether you're on a midnight patrol, checking equipment in pitch black, or exploring after hours, this feature brings clarity, safety, and confidence to every mission.

Massive 10000mAh Battery

Power That Outlasts Your Adventure

Stay powered through every challenge—whether you're deep in the wild, mid-task on a jobsite, or just off the grid. With a 10,000mAh mega battery, the Active 7 delivers exceptional endurance for work, play, and emergency use.

45W Fast Charging

Fuel Up Fast. Get Back to Action

No more waiting around. The Active 7 is equipped with 45W fast charging, delivering rapid energy refills to keep up with your toughest days.

Charges 47 Days' Power in just 50 mins

Optional 18W Docking Station Charging

Dock. Charge. Done.

Power up with ease using the optional 18W docking station. Designed for drop-and-go convenience, it keeps your Active 7 upright, charged, and ready—no cable fumbling, no downtime. Whether you're at the workshop, the site, or the office, charging has never been this seamless.

5W OTG Reverse Charging Support

Ready When You Need It

More than just a tablet, the Blackview Active 7 is capable of serving as a power bank whenever you need it, supplying power to your small devices anytime and anywhere.

That Works With You

Smarter Tasks. Smoother Days. Powered by DeepSeek-R1, Gemini AI, and GPT-4o mini, Active 7 brings AI right to your fingertips — helping you get things done faster, think sharper, and stay hands-free, no matter where you are.

Google Smart Assistant

Hands-Free Help. Wherever You Are.

Stay in control with just your voice. From managing schedules to finding directions, the built-in Google Assistant keeps you organized, connected, and one step ahead — even when your hands are full or you're on the move.

Voice Control Made Easy

Wake up your device securely with your voice — even with gloves on

Real-Time Voice Interaction

Ask questions and get instant, natural-sounding replies anytime.

Screen-Aware Assistance

Just ask about what’s on your screen — no switching apps.

Global Smart Control

Adjust settings, open tools, or launch apps — all hands-free.

AI Chat Assistant

From simple tasks to quick answers, Hi Doki is your always-ready AI buddy — whether you're brainstorming, planning, or just curious.

Smart Photo Editor

Enhance your field photos in a snap — with tools like object removal, auto enhancement, background blur, and sky replacement. No editing skills needed.

Magic Video Maker

Turn photos or short clips into eye-catching stories — perfect for travel logs, field updates, or creative sharing.

Music Composer

Make your moments sound better — even on the go. Compose quick soundtracks or background music anytime, anywhere.

11-inch FHD+ IPS Display

Illuminating Ideas. Soothing Your Senses

From on-site presentations to relaxing movie time, the Active 7’s 11-inch FHD+ IPS screen delivers a sharp, color-rich viewing experience wherever your journey takes you. Whether you're reviewing blueprints under the sun or reading reports after dark, it's built for clarity, comfort, and performance—day in, day out.

TÜV SÜD Low Blue Light Certification

See More, Strain Less

Your eyes deserve more comfort. The Active 7 features a TÜV SÜD Low Blue Light certified display that reduces harmful blue light, paired with the thoughtful eye-protection modes, giving you the freedom to work, read, or browse for hours without the burn.

PC Mode 2.0 with Wireless Keyboard & Mouse Support

Laptop Productivity. Tablet Portability.

With PC Mode 2.0, Active 7 delivers a streamlined multi-window workspace wherever you are — supporting wireless keyboard and mouse for full control on the go. Prioritize, organize, and multitask just like on a computer.

Split View with Smart App Pairing

Do Twice as Much, Half the Effort.

Run two apps side by side and save your favorite combos for instant multitasking. Whether it's video calling and note-taking or maps and checklists, stay focused and efficient — no tab switching needed.

WPS Office Pre-installed

Work-Ready from Day One.

Edit Word, Excel, PPT, and PDF files right out of the box. Active 7 comes with WPS Office Essentials pre-installed so you're always ready to view, edit, or present — no extra downloads, no wasted time.

Free Stylus Pen

Sketch. Note. Refine. Anywhere.

Jot down thoughts, annotate plans, or get creative — the included stylus pen makes writing and

drawing feel intuitive and precise, perfect for fieldwork, classroom use, or spontaneous inspiration.

MediaTek Octa-core Helio G81

Built to Power. Tuned to Play.

Whether you're multitasking or gaming, the Active 7, equipped with MediaTek Helio G81, delivers seamless, energy-smart performance. Its 2×Arm Cortex-A75 cores clocked at 2.0GHz provide snappy responsiveness, while 6× Cortex-A55 cores handle efficiency like a pro. Paired with the Mali-G52 GPU up to 820MHz and HyperEngine gaming tech, you get faster visuals and smoother gameplay.

Ready in a Blink. Smooth Without A Hitch

Built for action, not buffering. Featuring up to 24GB RAM, 128GB ROM and 2TB expandable storage via microSD card, Blackview Active 7 delivers steady, stutter-free operation.

16MP Main AI Camera

Vivid Details in Every Frame

Capture everything from worksite progress to everyday scenes with stunning clarity. With built-in AI scene
optimization, the rear camera intelligently adjusts lighting and detail so your photos look their best, every time.

13MP Selfie Camera

Made for Face-to-Face Moments

Whether you're video calling from the field or snapping a quick selfie, the front camera ensures sharp, natural
results—even in less-than-ideal lighting.

Magic AI Photo Editor

Smarter Touches. Better Memories.

Auto-enhance your photos on the go — adjust lighting, remove distractions, and sharpen details with just a tap. Whether it's field work, weekend hikes, or daily moments, Active 7 makes every shot share-worthy, effortlessly.

Everyday Apps. Smarter Flow.

Discover smarter ways to browse, play, and plan. DokeOS_P 4.2 introduces helpful new apps like Surfline, offering quick access to online content, handpicked games, and more — all curated for better flow and less clutter. Whether you’re online or off-grid, convenience is built-in.

Smarter Tools for Smoother Days

Powered by DokeOS_P 4.2, Active 7 brings everyday convenience right to your fingertips. Instantly share files with EasyShare, manage time with the Bespoke Timer, and even use real-time subtitles to keep conversations flowing in noisy environments. Everything’s designed to help you get things done — faster, easier, and with zero hassle.

Your Privacy. Fully Secured.

Whether it's sensitive files or work-related apps, DokeOS_P 4.2 gives you total control. Lock away private apps in a secure vault, completely hidden from others, and separate work from personal life with dual spaces for better organization and peace of mind.

Customizable UI for a Personal Touch

Make Active 7 feel like yours. From larger file folders to color accents and themes, design your home screen to reflect your mood — whether it's bold and bright or simple and sleek. It’s your space, styled your way.
