eSIM Ready Go Global, Go Instant.

Forget fumbling with SIM cards. With eSIM, you're instantly connected, anywhere. Activate plans online, switch carriers on the fly, and always score the best network and deal. Travel or move, it's seamless power for your connection.

X-axis Linear Vibration Motor Real Feel

Your rugged phone just got real. The Xever 7 series is the first rugged phone with a next-level X-axis linear motor that makes vibrations feel alive. Ditch the dull buzz. Every tap, touch, and type is now super clear and incredibly lifelike. Get ready to actually feel your phone respond.

RugOne OS Powered by Android 15

Get ready for the most refined Android yet. Android 15 elevates every interaction with enhanced customization, intuitive navigation, and core improvements that make your device faster, smarter, and more personal than ever before.

Switch Assistant Seamlessly Transfer Data From Old Device to New

With the RugOne Seamless Switch Assistant, you can ditch the dread of data transfer. In just minutes, all your contacts, messages, photos, apps, and more will magically jump from your old Android phone straight to your new RugOne. It's fast, simple, and totally worry-free.

Widevine L1 Certified

Your Binge-Watch Pass to HD

Why watch fuzzy? Get that crystal-clear, cinematic feel right on Netflix, Hulu, and Disney+. Your phone's ready for prime time with L1 certification. All your shows, all your movies, in uncompromised HD.

TorchX

Your Pro-Grade Flashlight. Instantly.

Go light, go free. No extra gear needed. Whether it's a pitch-black campsite, an urgent night patrol, or any moment darkness strikes, just one tap illuminates your path. Blasting up to 230 lumens of powerful light, it's always ready to provide reliable, clear illumination.
