

SMARTWATCH INSTINCT 3 AMOLED/BLACK 010-03020-50 GARMIN

Model: 010-03020-50

Manufacturer: GARMIN

EAN: 753759344122

Product Code: 550712

R10,273

AMOLED DISPLAY

See your mission stats clearer than ever before with a stunning AMOLED display.

MISSION-READY

Dedicated tactical features include a jumpmaster activity, waypoint projection, dual-position GPS format, preloaded tactical activity, stealth mode, kill switch and rucking activity.

GUIDE THE OPERATION

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Navigate confidently with a 3-axis compass, barometric altimeter and multi-band GPS with SatIQ technology, which delivers superior positioning while also optimising battery life.

BUILT TO LAST

The Instinct 3 – Tactical Edition smartwatch is engineered with a supertough 50 mm fiber-reinforced polymer case and metal-reinforced bezel and is 10 ATM water-rated. It's tested to U.S. military standards for thermal, shock and water resistance.

HEALTH MONITORING

Know your body better with health monitoring features, including wrist-based heart rate, advanced sleep monitoring, Pulse Ox2 and more.

BUILT-IN FLASHLIGHT

A built-in LED flashlight with variable intensities and strobe modes gives you greater visibility in the outdoors and provides convenient illumination when you need it.

NIGHT VISION CAPABILITY

Whether viewed under NODs or operating in the dark, NVG mode allows for stealthy operation with controls to further dim brightness and black out the display to reduce detectability.

RUCKING ACTIVITY

A dedicated rucking activity profile allows you to input your pack weight.

STEALTH MODE

While keeping the tactical watch operational, stealth mode stops storing and sharing your GPS position and disables wireless connectivity and communication.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

PROJECTED WAYPOINTS

Set and save remote geo positions to be used later for navigation.

APPLIED BALLISTICS SOLVER

The preloaded Applied Ballistics solver gives you access to aiming solutions for long-range shooting in the field (requires one-time fee, see pricing information).

AB QUANTUM APP

Download the AB Quantum mobile app on your compatible Apple or Android smartphone to manage profiles and targets or use your smartphone as an additional display.

KILL SWITCH

If security becomes an issue, the kill switch wipes the device of all user memory.

JUMPMASTER MODE

Calculate high-altitude release points according to military guidelines while navigating to your objective once you've jumped.

TACTICAL ACTIVITY

See time, pace, time of day, elevation and your location in both coordinate types.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
