HDD WESTERN DIGITAL Blue 4 TB Serial ATA III Buffer 128 MB 5400 RPM 3.5 WD40EZZX

Model: WD40EZZX

Manufacturer: WESTERN DIGITAL

EAN: 718037905761

Product Code: 550859

R6,503

Reliable everyday computing

WD Blue internal hard drives deliver reliability for office and web applications. They are ideal for use as primary drives in desktop PCs and for office applications. With a range of capacities and cache sizes, there’s a WD Blue internal hard drive that’s just right for you.

NoTouch Ramp Load technology

The recording head never touches the disk media, ensuring significantly less wear to the recording head and media as well as better drive protection in transit.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Low power consumption

State-of-the-art seeking algorithms and advanced power management features ensure low power consumption

Tested for compatibility

We perform tests on hundreds of systems and a multitude of platforms in our FIT Lab to give our customers confidence that our drives will work in their systems.

Upgrading your drive is easy

Seamlessly migrate your current system to your new Western Digital drive using Acronis® True Image™ WD Edition software, available as a free download on the Western Digital Support site. This software enables you to copy all your data to a new drive so you don't have to reinstall your operating system to get all the benefits of a new drive.

The Western Digital advantage

Western Digital puts our products through extensive Functional Integrity Testing (F.I.T.) prior to any product launch. On average, each new product goes through 600,000 hours of testing. Western Digital also has a detailed Knowledge Base with more than 1,000 helpful articles. You can also call toll-free support 7 days per week in the U.S. and Canada. See the Western Digital Support site for full details. Recommended use - WD Desktop hard drives are tested and recommended for use in PCs, industrial applications and external enclosures.

- Designed for reliable, everyday computing
- Free Acronis True Image WD Edition cloning software
- Low power consumption with advanced power management

Summary: Western Digital WD Blue 3.5-Inch PC HDD. HDD capacity: 4 TB, HDD speed: 5400 RPM, Storage drive buffer size: 128 MB, HDD size: 3.5", Interface: Serial ATA III | Vendor Homepage: https://www.westerndigital.com/products/internal-drives/wd-blue-desktop-sata-hdd?sku=WD40EZAX | HDD capacity: 4000 | HDD speed: 5400 | Storage drive buffer size: 128 | HDD size: 3.5 | Interface: Serial ATA III | Type: HDD | Component for: PC | Hot-swap: No | HDD interface transfer rate: 6 | HDD sustained transfer rate: 180 | Start/stop cycles: 300000 | Power consumption (standby): 0.3 | Power consumption (idle): 2.9 | Power consumption (read): 4.5 | Power consumption (write): 4.5 | Operating temperature (T-T): 0 - 60 | Storage temperature (T-T): -40 - 70 | Operating shock: 70 | Non-operating
