GARMIN COACH ADAPTIVE TRAINING PLANS

Train for an event, achieve a milestone, or improve your fitness with Garmin Coach training plans for running, triathlon, cycling or strength. Select plans adapt daily for personalized workouts based on your performance, recovery and health metrics.

TRAINING READINESS

From the moment you wake up, get a readiness score based on your sleep quality, recovery, training load and more, so you can determine whether it's a good day to go hard — or take it easy.

TRAINING STATUS

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Using indicators such as HRV status, your recent exercise history and VO2 max, get an easy insight into training effectiveness — and know whether you're training productively, peaking or strained.

EVENING REPORT

Before you go to bed, you'll get an evening report to better prepare for the next day with a reminder of sleep need, tomorrow's workout, weather and events.

DAILY SUGGESTED WORKOUTS

Get running, track run and cycling workouts made specifically for you and based on your data. These recommendations vary in intensity and adapt after every workout to take into account performance and recovery.

BUILT-IN SPEAKER AND MICROPHONE

Make and take phone calls from your watch when it's paired to your smartphone. Plus, control watch functions with voice command — or use your smartphone's voice assistant to respond to text messages and more.
