

NAS EXPAN TOWER 5BAY/NO HDD ESATA DX525 SYNOLOGY

Model: DX525

Manufacturer: SYNOLOGY

EAN: 4711174725298

Product Code: 551435

R12,423

Storage expansion without downtime

Easily add five additional drive bays to your Synology DiskStation.1 The DX525 supports both 2.5" and 3.5" SATA drives and features plug-and-play setup and hot-swap capability for uninterrupted operation during capacity expansion.

Dedicated local backup solution

The Synology DX525 provides a dedicated local backup solution for your Synology DiskStation. When configured as a separate volume, it safeguards data on its local disks in case of system failure.

Online volume expansion

Managed through the host NAS's DiskStation Manager (DSM), the DX525's additional bays are
