

External HDD INTENSO 2000 GB Colour Blue 6029585

Model: 6029585

Manufacturer: INTENSO

EAN: 4034303037599

Product Code: 551449

R3,297

Reliable data protection in a compact design.

Perfect storage for photos, videos & essential files.

The Intenso Memory Safe 2.5″ external hard drive offers secure storage for your most important data – whether photos, videos, or documents. Available with 1 TB or 2 TB capacity and equipped with a fast USB 3.2 Gen 1×1 interface (up to 5 Gbit/s), it ensures high transfer speeds of up to 85 MB/s for reading and 75 MB/s for writing. The integrated status LED reliably indicates the operating status at all times.

Easy Handling and Maximum Compatibility.

Connect and use immediately — Plug & Play.

Thanks to Plug & Play, the Memory Safe is ready for use immediately and compatible with all common operating systems, including Windows 10 and higher as well as macOS version 10.x and above. With the included USB-C-to-USB-A adapter and USB-C-to-Micro-B cable, the hard drive

connects easily to a wide range of devices. Your data is always within reach – whether on your PC, laptop, or Smart TV.

Backup made simple.

Protect & restore with Ashampoo Backup Pro.

The robust plastic housing in black or blue reliably protects your data from external impacts while its textured surface adds a modern touch. Weighing only 134 g (1 TB) or 146 g (2 TB), the drive is lightweight and perfectly suited for mobile use. The package also includes the full version of Ashampoo Backup Pro, providing a convenient solution for data backup and recovery.
