Long battery life with quick charging

Stay in play with up to 30 hours of battery life and get back into the action with up to 2 hours of battery life from a 10-minute charge.

Retractable microphone

Position the integrated flexible boom mic to best capture your voice and fully retract it when not in use.

Intuitive controls

Keep your head in the game with easy-access volume and mic mute buttons.

Next-generation gaming audio

Enjoy extraordinary lifelike sound in your favourite games.

Planar magnetic drivers

These studio-inspired drivers reproduce sound with near perfect accuracy along the entire audible spectrum, so you can hear games exactly how the developers intended.

Immerse yourself in soundscapes packed full of rich, subtle details while deep bass lets you feel each epic in-game encounter.

Enhance your perception in 3D Audio supported PS5® games as audio cues are positioned with an incredible degree of accuracy across all three dimensions.

PlayStation Link technology

Never miss a beat as new ultra-low latency and lossless PlayStation Link wireless technology delivers sound at lightning-fast speed without losing a single audible detail in the process.

Easily connect and switch between PlayStation Link compatible devices, including your PS5 console, PC, Mac® and PlayStation Portal™ remote player.

AI-enhanced noise rejection

Be heard loud and clear with microphone noise-rejection technology.

Powered by artificial intelligence, this new technology has been trained to identify, isolate and remove unwanted noises when capturing your voice.

Multi-device connectivity

Go where adventure takes you with the ability to wirelessly connect to a range of devices.

Bluetooth®

Go mobile by directly connecting your headset to a mobile phone or tablet device.

Dual device connectivity

Listen to audio from a PlayStation Link and Bluetooth device simultaneously to stay in play as you answer calls or enjoy music from a mobile device.

Always be ready for great play

Charge up your headset’s long life battery while it's on display.

Charging hanger

The included companion charging hanger can be attached to desks, tabletops or mounted to the wall*, so the headset can be displayed alongside your gaming setup and will be good to go whenever you’re ready for your next game.

*Additional mounting hardware (such as screws) not included.
