LET YOUR PASSIONS PREVAIL

MORE THAN 100 SPORTS APPS AND BUILT-IN MAPPING

VENU® X1 SETS THE TREND

Venu X1 fuses practical features you need in a smartwatch with lightweight materials and advanced health and fitness features. When it's time to train, recover or explore — trust this smartwatch to take you there.

EASY-TO-READ DISPLAY

See your data on our biggest 2" AMOLED display with a scratch-resistant sapphire lens. Enjoy all-day wearability, thanks to the lightweight titanium caseback, sleek design and ComfortFit nylon band.

HEALTH IS WEALTH

Learn more about your body, and make improvements toward a healthier lifestyle with 24/7 health and wellness monitoring with HRV status, advanced sleep tracking, Body Battery™ energy monitoring, Pulse Ox and more³. See your stats in the morning report, and get a customisable overview of your sleep, training outlook, HRV status and more.

WORKOUT OPTIONS

Track all the ways you move with 100+ preloaded sports apps, including running, golf, strength training and more. Plus, Garmin Coach plans for running, strength and cycling help you prepare for whatever your goals might be.

PERFORMANCE AND TRAINING FEATURES

Advanced performance features such as training readiness help you know when it's time to push your workout or take a recovery day. Track your performance progress with features that include endurance score, training status and hill score — and see how your body is adapting to your training load, so you know if you're training productively.

EVERYDAY UTILITY

A built-in LED flashlight provides convenient illumination when you need it. Make and take phone calls from your wrist when your watch is paired to your smartphone. You can even control watch
