

Goodram PX500 gen. 3 1 TB M.2 PCI Express 3.0 NVMe 3D NAND

Model: SSDPR-PX500-01T-80-G3

Manufacturer: GOODRAM

EAN: 5908267966266

Product Code: 551892

R4,715

Fast and capacious

With read speeds of up to 3,500 MB/s and write speeds of up to 2,800 MB/s, you'll experience fast program loading and lightning-fast transfers for the ultimate working experience. Forget about long application loads or slow system loads. The drive's capacities allow you to store huge amounts of data, including large files, multimedia, applications and even the operating system, without worrying about running out of storage space.

Flagship technologies

Utilising a PCIe 3 x4 interface, the PX500 gen. 3 drive guarantees great throughput and performance even during heavy use, which is crucial for compute-intensive applications and fast data access. The drive incorporates a number of technologies that not only improve performance, but also enhance the durability and security of stored data. These include: Error Correction Code (ECC), Wear leveling, Thermal throttling or the SMART function.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
