

Graphics Card ASROCK Intel Arc A310 2000 MHz 4 GB GDDR6 64 bit PCI Express x8 4.0 Active A310LP4G

Model: A310 LP 4G

Manufacturer: ASROCK

EAN: 4710483943867

Product Code: 551947

R3,239

Low Profile Design

The 169 x 69 mm graphics card can fit into any slim or small form factor.

0dB Silent Cooling

Spin For Cooling, Stop For Silence.

The fan spins when the temperature goes high for the optimal cooling, and stops when the temperature goes low for the complete silence.

Nano Thermal Paste

Perfect Thermal Teamwork.

Eliminate the gaps in the contact area to maximize heat transfer and thermal efficiency.

Precise Screw Torque

Optimized Mounting Pressure.

ASRock adopts precise screw torque when assembling its graphics cards to optimize the cooler mounting pressure to improve thermal efficiency while avoiding damage to GPU die.

8K Resolution Support

Not only can it handles 4K graphics but also supports the next generation 8K video output for the ultimate visual experience.

Boost your workflows.

Enhance your creation and gaming with industry-first AV1 hardware encode¹ and AI-enhanced XeSS upscaling.

Unleash your creativity.

Accelerate your productivity with the most comprehensive media capabilities¹ at your fingertips with industry-first AV1 hardware encode and AI-accelerated content creation.

Give your games a boost.

Take your gaming experience to the next level with Xe Super Sampling (XeSS), Intel's AI-enhanced upscaling technology, for more performance and fluid gaming on popular titles.

Support for DirectX12 Ultimate takes your gaming to a new level of realism with the latest graphics technologies including ray tracing, variable rate shading, mesh shading, and sampler feedback - the fundamentals for next-gen gaming.

Elevate your gaming experience.

Refine your gaming experience with Intel® Arc™ Control in an intuitive and modern layout. Get seamless driver updates and optimize many of your favorite games.

Maximize your Intel® platform.
