

KEYBOARD G515 TKL RAPID/BLACK 920-013861 LOGITECH

Model: 920-013861

Manufacturer: LOGITECH

EAN: 5099206133013

Product Code: 552185

R2,950

At only 22mm tall, the G515 RAPID TKL combines low-profile tenkeyless design with magnetic analog switches. Customize key actuation for personalized performance. Unlock Rapid Trigger and more for a super responsive and high speed gaming experience.

LOW PROFILE. RAPID PERFORMANCE.

G515 RAPID TKL combines ultra-fast, low-profile analog switch technology with exceptionally slim design for new breakthroughs in speed, comfort, and responsiveness

ULTRA THIN 22MM DESIGN

At only 22 mm high, this slim gaming keyboard blends sleek style, superior comfort, and short switch travel for fast, fluid, and effortless gaming precision

CUSTOMIZABLE ANALOG SWITCHES

Choose a profile with actuation presets or fine tune the actuation points of any key from 0.1 mm to 2.5 mm for personalized performance, all in G HUB

RAPID TRIGGER RESPONSIVENESS

Whether jiggle-peeking corners and counter-strafting in an FPS shooter or pulling off frame-perfect parries in an RPG, G515 RAPID TKL gives you pixel-level precision. With G HUB, you can dial-in rapid trigger settings for any play style.

SOCD RESOLUTION WITH KEY PRIORITY

Ensure quick directional changes and minimize the effects of simultaneous opposing cardinal directions by configuring which key takes priority when two opposing keys, such as A and D, are pressed concurrently

MULTIPOINT ACTION FOR CONTROL

Assign two different actions, such as walk and run or crouch and prone, to one key by setting up two actuation points on the same key and assigning an action to each

STRIKINGLY SMOOTH

From in-game to chat, enjoy smooth short-travel keystrokes with a slightly subdued sound profile, achieved through multiple dampening layers, pre-lubed magnetic low-profile analog switches, POM stems and double-shot PBT keycaps

STAINLESS STEEL TOP PLATE

A multi-layered design, featuring a stainless steel top plate, provides stability and rigidity leading to a more steady and consistent key action and an incredibly responsive gaming experience

FULLY CUSTOMIZE IN GHUB

Get started with powerful Rapid Trigger profiles, optimized by game type. Fine tune switch actuation, program key assignments, build macros and set up immersive LIGHTSYNC RGB lighting, all in G HUB
Summary: Logitech G G515 RAPID TKL. Keyboard form factor: Tenkeyless (80 - 87%). Keyboard style: Straight. Connectivity technology: Wired, Device interface: USB, Keyboard key switch: Magnetic-mechanical key switch, Keyboard layout: QWERTY. Backlight type: RGB LED. Cable length: 1.8 m.
