R524

Compact, multi-device wireless keyboard so you can switch between up to 3 devices at once

One keyboard, three devices

With the ability to connect to and switch between up to three devices at once via the Fn key combo, the Nado II Bluetooth Keyboard makes multi-tasking a breeze. What's more, its multi-OS compatibility and 10m wireless range make this the perfect keyboard for home, work, or on the go.

Small and silent

Say hello to a mini wireless keyboard that's big on peace and quiet – with a compact design and low-profile scissor keys, this keyboard lets you type comfortably without disturbing others, making this keyboard great for shared workspaces or whenever you need to focus.

Stay in command

The Nado II gives you a compact yet full-sized experience thanks to its 13 multimedia keys, allowing

you to access everything you need right at your fingertips. Whether working on a tablet, laptop or desktop, stay in control with this wireless keyboard.

Power on

Offering up to three months battery life on a single charge, this rechargeable Bluetooth keyboard is built for the long haul. The on/off switch allows you to save power when not in use, and the included USB-A-C charge cable means you can keep on working even whilst charging.
