R7,436

XEVER 8

Swappable Battery 2.0 SonicX Super Speaker

Power On. Apps Active.

Step into the next generation of swappable technology. While first-gen systems forced the device into a suspend black-screen during a battery swap, Swappable Battery 2.0 is engineered with smarter power management to preserve your most critical tasks. Experience seamless battery swapping and keep talking, typing, or watching without the screen ever going black.

Dual-Latch Security

Double Safety

Swappable Battery 2.0 introduces a dedicated internal latch so the battery stays perfectly seated, even during extreme impacts. Working together with the external cover latch, the Double-Latch

Structure provides superior stability and significantly enhanced drop resistance.

4-in 1 Power

Zero Clutter

Eliminate the cable chaos. The Charging Station exclusive to Xever 8 is an engineered 4-in-1 command center. Designed for ultimate efficiency, it declutters your desk while ensuring your gear is always at 100%. From its high-speed, reliable Pogo Pin dock to integrated battery management, it's the only hub you'll ever need.

SonicX Super Speaker

Its a Sonic Riot

Drown the noise. Own the moment. From the roar of a waterfall to the chaos of a crowded campsite, the Xever 8's SonicX system blasts a massive 117dB of pure power. Armed with high-performance 13 x 26mm and 14 x 20mm dual drivers, paired with a heavy-hitting 4.0cc total sound cavity, this is made for the bold.

The Vocals Really Pop

Our proprietary SonicX algorithm performs real-time analysis of every frequency. It pushes your vocals to "pop," reconstructs deep thumping bass, and expands your soundstage into a 360° immersive experience. Intelligence you can hear

Beyond the Peak

IP69K · IP68 · MIL-STD-810H Strength

Power is your protection. Built with IP69K/IP68 water and dustproofing to survive the surge. Reinforced by MIL-STD-810H to endure the fall. For the extreme. No limits. No excuses. Summit with Xever 8.

Engineered for the Bold Anti-Bulky Rugged Design

Let toughness return to its purest form. Xever 8 is a streamlined masterpiece, fusing a precision camera and HiFi speaker into a single, symmetrical command center. At a mere 320g, its ultra-light frame is sculpted with beveled edges for a natural, fatigue-free grip that defies the rugged stereotype.

Black

Inspired by the ancient, weather-beaten granite of the world's most formidable summits, black is the ultimate expression of "Refined Rugged."

RugOne Screen Search

Just Circle and It Searches

Simply circle the item or text of interest on your screen, it will automatically trigger a search, swiftly finding results without ever leaving your app.

Comes with Google Gemini

Say "Hey Google" to Get Smart Help

With Google Gemini built in, it's like having a super smart sidekick built right into your Xever 8, ready to help you instantly, spark creative ideas, generate amazing images, quickly summarize emails from Drive, and even plan trips, all by just typing, talking, or snapping a pic.

AI PetHello, Xiao Ku

Need a hand with daily tasks? Let Xiao Ku handle it! From ordering coffee and making calls to opening apps and clearing cache, Xiao Ku is an expert.

Voice Call Summary

Boost Online Meeting Efficiency

Record, transcribe and summarize calls for effortless recall and smarter follow-ups.

AI Translation

Break Barriers. Connect Instantly.

Whether you are navigating a new city or closing a global deal, Xever 8 makes communication effortless.

AI Calculator

Handwriting Math Whiz

Tap Handwriting Calculation to solve problems by simply writing out the equations.

AI Writing Assistant

Write Smarter. Faster.

Draft texts, one-tap tone shifts, smart formatting, instant translation, and flawless proofreading. Get your message perfect, every time.

20MP Night Vision Camera

Master the Darkness

Observe the wilderness in total secrecy. The 20MP Night Vision Camera thrives in the shadows, using powerful integrated IR sensors to turn absolute blackness into crystal-clear visuals. Move unseen and uncover what hides in the dark.

64MP AI Ultra-Clear Camera

Capture the Extraordinary

Stunning at first glance, vibrant forever. Powered by a 64MP high-resolution Sony IMX682 sensor and smart AI enhancement, your photos will shine with razor-sharp details and rich, true-to-life colors. Every moment, perfectly preserved.

32MP Ultra-Sharp Selfies

Your Life, Unfiltered

Stop settling for grainy front-cam shots. The 32MP sensor captures every pore in stunning high-res, so your stories look professional before you even hit "post."

Underwater Camera

Dive into Wonder

Forget the extra gear. With advanced IP68/IP69K waterproofing and a dedicated Underwater Camera Mode, the Xever 8 transforms into your primary aquatic lens. Use the tactile side buttons to snap high-res wonders where touchscreens fail.

6.5-inch Fluid DisplayPure Smooth All the Way

Sharp, fast, built for action. Whether you're scrolling through your feed or immersed in a game, the 120Hz FHD+ display delivers a lag-free experience. Designed for one-handed mastery, it's the perfect balance of immersive views and rugged durability.

Corning® Gorilla® Glass 3
