Combining a super-bright screen with advanced computing and connectivity, the B360 fully rugged laptop raises the bar for mobile productivity regardless of how challenging the conditions become.

Powered by the advanced Intel® Core™ Ultra 5/7 Processor (Series 2), with integrated Intel® Arc™ Graphics*, the B360 delivers outstanding performance even when undertaking the most demanding tasks. Future-ready with Intel® AI Boost technology, and a dedicated Copilot key to launch Microsoft generative AI assistant, the B360 is designed to accelerate AI-based tasks and applications.

Enjoy superior responsiveness with up to 64GB DDR5 RAM, and exceptional visibility with a 1,400-nit screen ensuring sunlight readability. For reliable data security, the B360 comes with dual-user

removable PCIe NVMe SSDs (up to 2 x 2TB). The B360's compact design, useability, and rugged certification make it the go-to choice for industries like Utilities, Industrial Manufacturing, and Public Safety.

READY FOR ANY TERRAIN

Engineered for extreme conditions, the B360 withstands rain, dust, shock and vibration and has an optional salt fog certification. It is independently certified to meet military standards for numerous environmental conditions, and ingress protection. Built to withstand temperatures from -29°C to +63°C (-20°F to 145°F) and a 6-foot (1.8m) drop while operating. The B360 is also intrinsically safe, meeting ANSI/UL 121201 standards (per request) for Class 1 Division 2 hazardous environments. Experience reduced downtime and consistent reliability in demanding environments, with the B360 laptop.

TOUCHSCREEN OPERABLE, RAIN OR SHINE

The B360 is designed to operate in diverse working conditions. With its 13.3" FHD capacitive touchscreen display, featuring Getac's LumiBond technology, the device responds to finger, stylus, or gloved inputs seamlessly in wet and freezing conditions. Together with the added advantage of up to 1,400 nits of screen luminance for clear, comfortable viewing even in direct sunlight. Boosting your productivity no matter the operating environment.

ULTIMATE RUGGED MOBILITY

Starting at 2.32kg (5.11 lbs), the B360 delivers exceptional rugged flagship mobility that makes it easy to carry, store in a compartment, or mount safely in a vehicle. Its rounded corners make in-cabin use safe and convenient, and yet the device's simple docking connection allows for further I/O port expansion and replication when using its purpose designed docking stations, cradles, and carrying solutions.

VERSATILE AND ADAPTABLE

Key I/O ports include a serial port, a VGA port, and up to two Thunderbolt™ 4 ports for ultra-high-speed data transfer. A PowerShare USB 3.2 for power transfer even when the B360 is turned off, and an HDMI 2.0 for easy media connection to monitors or projectors, and more. The rear options bay can be configured to support specific port requirements, such as adding an additional LAN port. Dual hot-swappable batteries enable LifeSupport battery changeout, helping ensure worker efficiency,

continuous operation, and keeping critical tasks on track without having to power down the device.

SEAMLESS CONNECTIVITY

We understand the importance of field communications, how real-time information exchange is vital for project coordination and workforce management. The B360 is built for ultra-high-speed communication and smooth operational coordination of field operations. Optional 4G-LTE with integrated GPS, coupled with the latest Intel® Wi-Fi 7 BE200 (802.11be) technology to support rapid data transfer. Bluetooth 5.4 handles the low-power duties, and dedicated GPS available for precise navigation and location tracking.

The B360 Pro delivers a higher level of flexibility, empowering users with twice the battery life, and a suite of configurable options, including an NVIDIA Quadro RTX A500 4GB discrete graphics controller, a multimedia bay battery, a third storage drive, a Blu-ray/DVD drive, and more - the B360 Pro is ready for duty.

- AI Ready Intel Core Ultra 5/7 Processor (Series 2)
- Intel Arc Graphics
- Wi-Fi BE200 (802.11be) and Bluetooth 5.4
- Smart Card Reader
- 1400 nits FHD 13.3" Touchscreen Display
- Operational between -29 °C to +63 °C
- Thunderbolt 4

Summary: Getac B360. Product type: Laptop, Form factor: Clamshell. Processor family: Intel Core Ultra 7, Processor model: 255H. Display diagonal: 33.8 cm (13.3"), HD type: Full HD, Display resolution: 1920 x 1080 pixels, Touchscreen. Internal memory: 16 GB, Internal memory type: DDR5-SDRAM. Total storage capacity: 512 GB, Storage media: SSD. On-board graphics card model: Intel Arc 130T. Operating system installed: Windows 11 Pro. Product colour: Black | Vendor Homepage: <https://www.getac.com/intl/products/laptops/b360/#product-info> | Product type: Laptop | Product colour: Black | Form factor: Clamshell | Rugged design: Yes | Touchscreen type: Capacitive | Foldable display: No | Display diagonal: 13.3 | Display resolution: 1920 x 1080 | Panel type: TFT-LCD | HD type: Full HD | Touchscreen: Yes | LED backlight: Yes | Display brightness: 1400 | Processor manufacturer: Intel | Processor family: Intel Core Ultra 7 | Processor generation: Intel Core Ultra (Series 2) | Processor model: 255H | Processor cores: 16 | Processor threads: 16 | Processor boost
