

TABLET UX10G5 CU5-226V 10T/16/256GB UW1C64VBXDSX GETAC

Model: UW1C64VBXDSX

Manufacturer: GETAC

Product Code: 552512

R66,525 ~~R79,084~~

The UX10 tablet is a smart and versatile rugged AI solution, ready to deliver powerful digital transformation and all-terrain performance.

SMARTER THINKING, POWERED BY ADVANCED AI

Elevate your workflow and stay productive in the field with this AI-ready rugged powerhouse. As a rugged tablet with Intel® Core™ Ultra and Intel® AI Boost technology, the next-generation UX10 adapts to your needs with outstanding speed and intelligence. Enhance security with a 5MP Windows Hello face-authentication camera, and other robust multifactor authentication options.

A 13MP autofocus rear camera supports clear image capture and precise document scanning. Stay connected and efficient with Wi-Fi 7, dual Thunderbolt™ 4 ports, and multiple battery configurations for all-day performance. Whether you're in the office or on the move, with its lightweight and mobile form factor, this tablet redefines versatility and innovation for field operations.

NEXT GENERATION RUGGED AI TABLET WITH VERSATILITY AND RELIABILITY

The UX10 fully rugged tablet, a Copilot+ PC, delivers ultra-fast AI processing for data collection and real-time decision-making in harsh environments. Powered by the Intel® Core™ Ultra 200V Series Processors* with NPU acceleration, users can experience up to 48 TOPS for real-time AI at the edge. Ultra-fast LPDDR5X memory, up to 32GB, delivers superior power efficiency, enhanced bandwidth, and lower latency, making it an ideal choice for high-performance Edge AI applications, smooth multitasking, and reliable operation in the field. Dual Thunderbolt™ 4 ports deliver versatility and unparalleled data transfer speeds when connected to multiple devices.

UNINTERRUPTED EXCELLENCE

Built for industry professionals who rely on uninterrupted connectivity for productivity on the go, Bluetooth 5.4 provides fast and reliable wireless connections with lower power consumption. Wi-Fi 7 BE201 delivers ultra-fast/high/advanced speed and reduced latency, helping enable seamless data transfers. Optional 4G LTE with integrated GPS offers reliable, location-aware mobility, whereas the 5G Sub-6* option with integrated L1 GPS achieves ultra-fast connectivity and precise location information.

THE 'ALWAYS-ON' RUGGED TABLET

In a world where device uptime is critical for portable devices, the UX10 offers a range of battery configurations and options to support long battery life. An optional high-capacity battery extends runtime, and an optional bridge battery* enables 'hot swap' capability, making UX10 an ideal solution when you need a device that can be pooled among workers or utilized across multiple work shifts.

BUILT FOR HOSTILE ENVIRONMENTS

The UX10 fully rugged shockproof tablet resists water, dust, vibration, and will withstand temperatures from -29°C to +63°C (-20°F to 145°F), and a 6-ft (1.8m) drop while operating. Certified to IP66 and MIL-STD 810H standards, the UX10 is engineered to survive in hostile operating environments.

The UX10's LumiBond screen features 1000 nits of brightness, making the display readable in sunlight, while its rain and glove touch capability guarantees visibility and productivity in many extreme conditions.

THE TRUSTWORTHY TABLET

Experience peace of mind with the UX10, purpose-built with an array of sophisticated security features. The tablet boasts a TPM 2.0 module, supporting seamless hardware-based encryption and secure data storage. The UX10 takes user authentication to the next level with Windows Hello facial recognition technology, providing swift and secure access to your device. Optional integrated features such as fingerprint, smart card, and RFID readers add another layer of protection.

- Intel Core Ultra 5/7 200V Series Processor with Intel AI Boost (Up to 48 TOPS)
- Intel Arc Graphics
- Wi-Fi 7 BE201 & Bluetooth 5.4
- Dedicated GPS
- 1000 nits WUXGA (1920 x 1200) LumiBond multi-touch display
- Up to 32GB LPDDR5X / Up to 2TB Storage
- Dual Thunderbolt 4
- Bridge Battery for Hot-swap Support

Summary: Getac UX10 G5. Display diagonal: 25.6 cm (10.1"), Display resolution: 1920 x 1200 pixels. Internal storage capacity: 256 GB. Processor family: Intel Core Ultra 5, Processor model: 226V. Internal memory: 16 GB. Rear camera resolution (numeric): 13 MP, Rear camera type: Single camera, Front camera resolution (numeric): 5 MP, Front camera. Top Wi-Fi standard: Wi-Fi 7 (802.11be). Weight: 1.15 kg. Operating system installed: Windows 11 Pro.
