TABLET ZX10G2-EX QCS6490 10/8/256GB Z8ANLXG24ABX GETAC

Model: Z8ANLXG24ABX

Manufacturer: GETAC

Product Code: 552552

R49,724 ~~R67,311~~

Certified for hazardous locations, the ZX10-EX fully rugged tablet offers ATEX and IECEx Zone 2/22 certification for use in potentially explosive atmospheres.

RUGGED ANDROID VERSATILITY

The Getac ZX10-EX is an AI-ready fully-rugged tablet to feature the Android 15 operating system, a highly-capable workday solution that combines the intuitive operation, power efficiency, and world of apps you expect with Android with a slim versatile profile well-suited to video conferencing, remote guidance, information capture, and online paperwork.

FULL-SHIFT RELIABILITY

The ZX10-EX offers all-day performance with its standard full-shift battery life and optional higher-capacity batteries, allowing for seamless operations with dual hot-swappable batteries. Powered by

the Qualcomm QCS6490 processor and featuring an integrated NPU, it efficiently handles AI applications, making it ideal for demanding tasks while minimizing power consumption.

BUILT FOR SEAMLESS COMMUNICATIONS

ZX10-EX's dual SIM capabilities (one physical SIM + one eSIM) enable easy switching between different carrier networks, with optional 4G LTE or 5G Sub-6 with 4X4 MIMO delivering ultra-broadband cellular (WWAN) data transfer. Wi-Fi 6E and Bluetooth 5.2 round out its short-range wireless capabilities, with optional dedicated GPS (L1/L5) available for precise geolocation even in remote locations.

SUPERB INTERACTIVE EXPERIENCE

The Getac 10" ZX10-EX enables superb video chat and remote guidance. The 8MP front and 16MP rear camera deliver excellent photos and video capture. Dual integrated microphones expertly filter out disruptive background noises like sirens and power tools. Meanwhile, the dual front speakers boost output volume, ensuring an outstanding interactive experience. Wi-Fi 6E and dual SIM design help keep you connected.

CONVENIENT VERSATILITY

ZX10-EX helps you do more in the field in less time. A touchscreen powered by Getac's proprietary LumiBond technology offers a sunlight-readable experience with superior color, contrast, and clarity. Read and sign documents in the cold, the rain, or under bright sunlight, via bare finger, gloved finger, or active digitizer pen. The active digitizer pen ensures precise input without accidental palm or finger touch errors, ideal for accurate data entry and signatures in any weather. Capture data, identify objects, and track assets via the optional NFC and optional integrated industrial-grade barcode reader.

ENTERPRISE-GRADE MANAGEMENT

With ZX10-EX, IT administrators can save time through batch configuration of device and system settings across your deployment, including those for battery-charging, display, navigation, scanning, the quick settings panel, date and time, app update, and its four programmable buttons, via OEMConfig or Getac's optional proprietary Getac Management software.
