Model: 325-BCHI

Manufacturer: DELL

EAN: 884116329183

Product Code: 559562

R3,321

LCD Plastics, covers, and accessories are replacement cosmetic components for laptops. LCD Plastics, covers, and accessories include the LCD cover, bezel and rubber bumpers.

The Type of Plastic column in the Tech Specs section will tell you the type of this product. Most of these products are pretty straight forward. Please note that for LCD screen covers, it is important that you know the size of your LCD screen. LCD covers and screens come in various sizes. Similarly, rubber bumpers can come in different sizes and styles for a computer.

To aid you in your selection of the right LCD plastics, we recommend that you use either the Service Tag look up or the System Drill Down feature in the Parts For Your Dell™ tool. This will allow us to correctly identify your LCD Plastic requirements and offer compatible solutions.

Please note that some of our replacement products are provided as kits or assemblies. These kits may contain additional parts required for installation; these parts will be listed separately as 'Component Parts' in the Highlights section of this page. In case a product is not sold as a kit or assembly, it may require complementary parts for ease of installation.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
