Model: MDRXB55APB.CE7

Manufacturer: SONY

EAN: 4548736130432

Product Code: 559728

R1,438

12mm neodymium driver units

Specially developed 12mm drivers combine a compact, lightweight design with a high sensitivity of 112dB/mW, for powerful sound without distortion at high volumes.

Inline remote and mic for hands-free calls

Take hands-free calls and switch tracks without ever having to touch your smartphone, thanks to the inline remote and mic.

Tangle-free cable

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

The cable has a serrated design to resist snags and tangles, keeping your headphones knot-free.

Powered Bass Duct++ for extra deep bass

Powered Bass Duct++ technology delivers deep, responsive bass and powerful sub-bass, making it perfect for low-end focused music styles.

4 sizes of earbud

With a range of 4 earbud sizes, (SS, S, M, and L), you'll be able to customise your fit for comfortable on-the-go listening.
