

Kingston Technology System Specific Memory 8GB DDR4 2400MHz memory module 1 x 8 GB 260-pin SO-DIMM

Model: KCP424SS8/8

Manufacturer: KINGSTON

EAN: 740617268690

Product Code: 560688

R2,448

The Kingston KCP424SS8/8 8GB 260-pin DDR4 2400MHz Non-ECC Unbuffered memory upgrade from Kingston's Notebook range is perfect for the custom builder or whitebox builder who are looking for reliable quality RAM. Maybe your system is lagging, tasks are taking longer to complete or you are looking to add extra capacity in the form of DDR4 Non-ECC Unbuffered memory SODIMMs to your setup. Kingston have been manufacturing high quality SODIMM modules since 1987 so you can be assured of a high quality component with this Kingston DDR4 upgrade. Kingston are one of only a few manufacturers worldwide who test production of memory and their range of Notebook modules are included in this intensive testing environment to ensure precise and consistent quality.
