Headphone stand

An unusual advantage of this mouse bungee is a dedicated headphone stand. No more putting away your headphones just anywhere on a table top, chair or other places that are not suitable, everything has its place and so do your headphones. Vanad 500 is a mouse bungee that will take care of your headset.

2x USB 2.0 PORT

We decided to give you as many features as possible with a single device. Vanad 500 has been equipped with two USB ports, making the mouse bungee an effective USB HUB, giving you more possibilities and keeping the most important devices connected as close to you as possible.

Detachable cable

Thanks to the removable cable, the Vanad 500 can stand and perform the functions it was designed to fulfil – providing a cable support and storing headphones. If you want you can disconnect unnecessary cabling and enjoy the minimalist image of the device.

Rubber, non-slip feet

Vanad 500 has non-slip feet on the bottom, which deliver high stability of the mouse bungee. Enjoy freedom of movements, forever.
