Manufacturer: NATEC

EAN: 5901969400892

Product Code: 607251

R958

Genesis Carbon 500 L LOGO is a gaming pad that, thanks to its properties and “speed surface” will give smooth glide and precision. Compact dimensions and classic design will make it an easy fit it on your workstation. Bet on proven solutions and choose Genesis Carbon 500 L LOGO.

'SPEED' SURFACE

The top layer of the Genesis Carbon 500 L LOGO mouse pad is made of fabric that allows highly precise tracking of mouse movements and reduces mouse friction against the surface. The Genesis Carbon 500 L LOGO pad works seamlessly with both laser and optical mice.

LOW PROFILE AND CLASSIC DESIGN

Genesis Carbon 500 L LOGO is a gaming pad with dimensions of 400 x 330 x 2.5 mm. Thanks to this, you can easily fit it on your desk. Its universal appearance makes it a perfect fit into any space. The low profile increases usability and gives a sense of greater comfort.

DON'T WORRY ABOUT MOISTURE

Genesis Carbon 500 L LOGO is distinguished by a special impregnation that makes the pad waterproof and does not absorb moisture. This not only makes it easier to clean its surface, but also gives the opportunity to easily remove liquid when the surface is flooded.
