Look Your Best, Sound Even Better, with AI

Acer PurifiedView™ 2.0 with NPU boosts power, enhances video clarity, lighting, and natural looks. Combined with PurifiedVoice™ 2.0 for optimized audio in virtual meetings.

Acer PurifiedView 2.0

Use NPU to offload AI tasks from the CPU, optimizing power consumption. Features like Portrait Refinement, Gentle Lighting, and Super Sharp ensure you look your best in virtual meetings and video calls.

Acer PurifiedVoice™ 2.0

Experience crystal-clear voice quality with AI-powered noise reduction and a three-microphone setup. Acer PurifiedVoice™ ensures your voice stands out, even with external headphones.

See the World in Front of You

Drive your business forward with a 14” 16:10 ultra high-resolution display and see details in true-to-life colors. The narrow bezel design enhances your experience with a larger viewing area, making it easier to navigate your business.

Empower Your Imagination

Copilot is your AI-powered assistant for answers, creativity, and focus. Use Cocreator to bring your visions to life with text or image prompts and Recall to explore your PC’s past. Unleash your potential with Copilot!

Copilot

Copilot is an AI-powered assistant that helps you get answers and inspirations from across the web, supports creativity and collaboration, and helps you focus on the task at hand.

Live Captions

Live captions helps everyone, including people who are deaf or hard of hearing, better understand audio by providing automatic transcription.

Recall Instantly

With Recall, you'll have an explorable timeline of your PC's past. Just describe what you remember, and Recall can help you retrieve the things you've visited recently.

Stay Connected, Anywhere

The world is your playground. With lightning-fast Wi-Fi 7 and Bluetooth 5.4, the TravelMate P6 14 AI keep you connected wherever you go. Experience seamless streaming, lag-free video calls, and effortless file transfers without missing a beat.

Crystal Clear Audio for Professionals

Experience superior audio with Acer PurifiedVoice 2.0, Ultra Boost Stereo Speakers, and DTS:X® Ultra Audio. Enjoy optimized AI tasks, 200% more sound output, and immersive audio quality, perfect for virtual meetings and multimedia tasks.

Ultra Boost Stereo Speakers

Acer's latest speaker module delivers 200% more sound output, with 70% less vibration. Ideal for professionals, it offers enhanced audio clarity, a compact design, and improved durability.

DTS:X® Ultra Audio

It enhances sound quality by optimizing bass, loudness, and speaker protection. With six customizable modes, it delivers immersive audio through headphones and internal speakers.

Triple Microphone Array

A triple microphone array ensures clear communication by eliminating background noise and enhancing the main speaker's voice.

Ultimate Durability & Comfort

Experience unmatched durability with MIL-STD-810H certification, ultimate typing comfort with Acer Comfort Touch Keyboard, and smarter control with the Activity Indicator lighting up your touchpad when AI is at work.

MIL-STD-810H Certified

Durable and long-lasting, this laptop is MIL-STD 810H certified and stands up to all the rigors of business travel.

Acer Comfort Touch Keyboard

Experience the ultimate typing comfort with a 1.5mm long key travel, responsive keystrokes, and durable anti-wear coating. Designed for smoother, quieter, and more precise typing.

Activity Indicator

Stay in the know with Acer's Activity Indicator! Instantly see when AI power is at work, lighting up your touchpad whenever the NPU or Copilot feature is engaged. Smarter, brighter control.

Expand Your Possibilities

Connect, create, and collaborate. TravelMate P6 14 AI delivers seamless connectivity with versatile ports, a 5M webcam, and enhanced audio, ensuring you’re equipped for smooth communication and productivity with all your devices.
