The ProLite S2425AS-B1P is a 23.8” Android display built for stable, secure content presentation in retail and commercial environments. Designed purely for displaying content, it is perfectly suited for supermarkets, shops and information points where interaction is not required. Its high-brightness Full HD IPS panel delivers up to 500cd/m2 for excellent visibility, even in bright locations, while Power over Ethernet (PoE) simplifies installation and reduces cabling. iiyama guarantees
