microSD card.

Lightning speed wherever you go

Never miss a thing, wherever you are, with the Galaxy XCover7. Tap into hyper-fast connectivity with 5G[1] , making it easier to access the vital data or information you need to carry out tasks in the field.

See every detail, work effortlessly

The expansive 6.6" FHD+ display gives you ample space to view and read with ease. Plus, the 500-nit brightness allows for good visibility even in bright conditions.

Makes the rough, smooth

The Galaxy XCover7 is like the superhero of rugged phones. It's built to MIL-STD-810H standards[2] , handling everything from bumps and scrapes to dusty environments. It can even survive drops onto steel from an impressive height of 1.5m.

Touchscreen built for hands-on work

With its high touch sensitivity, Galaxy XCover7 seamlessly responds to your touch for a smooth workflow even out in the field.

Battery that doesn't slow you down

Keep the momentum going with the long-lasting 4,050mAh battery. When it's running low, power up quickly and easily with 15W Fast Charging.

Built for security, customised for productivity

Look out for your invaluable assets. Galaxy XCover7 is offered with up to 4 generations of OS upgrades and up to 5 years of security updates to keep your device running smooth and your data properly safeguarded by Samsung Knox.
