R8,997

Upgrade your static eReader to a dynamic Paper Tablet that lets you not just read books and take notes, but also scroll content, watch videos and play games. Lumo features an 7.8-inch inch paper-like display with 16.7 million colors, 60Hz refresh rate, 5ms response time, and optional LED front light.

The fastest & eyecare paper-like reader

Equipped with exclusive ecoVISION Display technology, the Lumo Reader Tablet harnesses natural light reflection to create a flicker-free, anti-glare, and paper-like display, keeping your eyes free from harmful blue light and ensuring an eye-friendly viewing experience.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Immerse in Reading on the Go

The unmatched portable design, with a thickness of only 6.6 mm and a lightweight of 250g, makes the 7.8”Lumo Reader Tablet easy to hold in one hand for extended periods, allowing you to immerse yourself in reading wherever you go.

Great Readability under Sunlight

The Lumo Reader Tablet utilizes exclusive ecoVISION Display technology, which reflects natural light to present images. This means that the brighter the surrounding light, the more vivid and crisp the display appears, all while enhancing energy efficiency. Say goodbye to eye fatigue and enjoy a comfortable viewing experience.

ecoVISION Display for Improved Eye Comfort
Prioritizing your eye health, the Lumo Reader Tablet is designed with TÜV Paper Like Display certified eVD technology. It harnesses natural light reflection to create a flicker-free, anti-glare, paper-like display, keeping your eyes free from harmful blue light and ensuring an eye-friendly viewing experience.

Enjoy Optimal Visual Comfort anytime with Smart Reading Light

With its smart reading light, the Lumo Reader Tablet automatically adjusts the brightness to provide optimal visual comfort, whether you are working or studying during the day or winding down at night.

2-in-1

An eye-friendly eReader with tablet capabilities for ultimate entertainment. It's the Most Versatile eReader (7.8”) for Perfect reading, working, and everything in between.
