The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

We can all use some extra space. To store our digital content, that is. That’s why we designed the One Touch family — premium, high-capacity HDDs, SSDs, and hubs to help you manage your digital world with ease and confidence. Durable and dependable, keep your content with you so it’s ready to access — whenever you need it — with our ultra-small, portable HDDs and SSDs. Or backup files AND charge multiple devices simultaneously with the password-protected hub in abundant capacities.

Measurably Small. Amazingly Fast.
Accelerate your performance and score some downtime with One Touch SSD. With speeds up to 1,030 MB/s to transfer large files without delay, an Android app to backup photos and videos — freeing up device space, plus up to 2 TB capacity and simple plug-n-play USB-C compatibility with Windows, Mac, and Chromebook to keep files handy. Travel-sized and styled right, work seamlessly from the drive — wherever you are.

Advance Data Encryption

Need a hard drive that goes above and beyond the call of duty? Opt for One Touch HDD or One Touch Hub with data security. Thanks to its password protection and AES-256 hardware encryption — the same standard used by the U.S. government and global intelligence agencies — you can rest easy knowing your digital life is secure.

Convenient Backup

With One Touch SSD you can sync folders for seamless file management, and get the effortless file protection of Sync Plus software. With One Touch HDD and One Touch HDD with password, schedule automatic hourly, daily, weekly, or monthly backups to keep all your files consolidated into one place. Whatever your backup style, One Touch offers an easy-to-use solution for you.
