

Turtle Beach Vulcan II Mini keyboard Gaming USB QWERTY German Black

Model: TBK-3001-02-DE

Manufacturer: TURTLE BEACH

EAN: 731855230013

Product Code: 610384

R2,549

The Vulcan II Mini Optical-Mechanical Gaming Keyboard packs durability, performance, and functionality into a mini form factor. At 65% of the size of standard keyboards, it provides ample room for sweeping mouse movements needed to win fast-paced games while retaining the arrow keys. New TITAN II optical switches actuate with ultra-fast speed, feature pre-lubed stabilizers and have an incredible 100m keypress durability. Enter game mode to access Easy-Shift [+] button duplicator technology and unlock a second programmable function layer. Dual-LED Smart Keys to indicate when secondary functions are active. The detachable USB-C cable and programable onboard profiles provide convenient portability.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

65% FORM FACTOR

The mini 65% form factor allows for a small footprint on your desk and maintains the functionality of arrow keys.

TITAN II OPTICAL SWITCHES

Exclusive TITAN II Optical Switches have a smooth linear, ultra-fast actuation and incredible durability with a 200 million click life cycle, offering a competitive edge game after game. Featuring cross-shaped stems with third-party keycap compatibility.

SMOOTH & STABLE KEYSTROKES

Pre-lubed key stabilizers on all mechanical keys reduce noise & improve the feel with a smooth and stable keystroke.

SMART KEYS

Feel confident in your keystrokes with 30 multi-function smart keys featuring a dual LED to indicate when secondary functions are active.

EASY-SHIFT[+]™

Enter game mode to access Easy-Shift [+]™ button duplicator technology and unlock a second function layer which can be programmed to expand the capability of each keystroke.

CUSTOMIZABLE

Customize your look, compatible with many third party cross shaped mount keycaps and USB-C cables.

ALUMINUM TOP PLATE

Anodized aluminum plate reinforces its structural integrity and protects against wear and tear.
