The Turtle Beach® Pure SEL Gaming Mouse leverages over a decade of Kone’s ergonomic engineering into a 49g ultra lightweight design allowing for quick flick shots and large mouse swipes helping you hit your targets faster than ever. Enjoy crisp tactile performance with mechanical switches that are rated for 20 million click durability, precisely pre-tensioned with leaf-springs improving reliability and response time to deliver the most accurate satisfying click ever. The PixArt 8K DPI sensor provides precise tracking and 200 IPS tracking speed in combination with the pure PTFE glides giving you the fastest and smoothest experience possible. Pure SEL is designed to shine with a stylish semi-translucent shell with a fully customizable RGB projection of the Turtle Beach logo onto the back of the mouse and AIMO™ intelligent lighting compatibility.
