The Sense joins the AIMO™ fight to make the lighting eco-system bigger and better than ever before, for an even more immersive experience. Its coated cloth surface resists spills and is bordered by a vivid RGB light guide with two programmable zones. Together with your compatible mouse and keyboard, it lets you experience AIMO the way it’s supposed to be experienced – with a powerful trio of devices immersing you in a world of ambient light. Its ultra-wide 900 X 400 X 3.5mm size is perfect for gamers who want to play without limits.
