the Stealth™ 500 is designed for versatile gaming on console & mobile. Easily toggle back-and-forth between 2.4GHz wireless & Bluetooth® connections using the QuickSwitch button located right on the bottom of the headset. An ultra-lightweight design with a floating headband eliminates any pressure points for a perfect fit and leatherette-wrapped memory foam ear cushions provide non-stop comfort and enhanced noise isolation. A staggering battery life of up to 40 hours is best in its class, plus it features quick charge so you can get back in the game right away. Precision-tuned 40mm drivers are amplified to deliver renowned Turtle Beach® audio quality, optimized for spatial audio right out of the box. And to dial in your audio quality even further use the Swarm™ II desktop software for PC, or mobile app for iOS & Android devices to adjust EQ settings, activate Superhuman Hearing®, toggle EQ presets and more. Lead your team to victory with ultra-clear voice accuracy thanks to a flip-to-mute omni-directional microphone. Plus, you can activate mic monitoring using the Swarm™ II app so you can hear the level of your own voice to avoid shouting.
