A new standard in PC gaming audio has been set with the Turtle Beach® Atlas™ Air – the first wireless open back gaming headset for PC. 40mm drivers with high-fidelity 24-bit audio mode and a removable, flip-to-mute high-bandwidth (16-bit/32kHz sampling rate) microphone are both fully adjustable in the Swarm™ II software for the ultimate PC gaming experience. The world’s first floating earcup plus a floating headband lends to its class-leading light weight of 301g and an ultra-comfortable fit. Atlas™ Air is equipped with low-latency 2.4GHz wireless + Bluetooth® for reliable wireless connection on Windows PCs.
