Simple yet Powerful

The Best VDSL for Every Home

300Mbps Wireless N VDSL/ADSL Modem Router

Superfast VDSL Modem Router

VDSL2 technology delivers VDSL broadband speeds of up to 100Mbps simultaneously in both the upstream and downstream directions. The integrated DSL port supports all standard DSL connections* for compatibility with most ISPs.

*The TD-W9960 is compatible with VDSL2, ADSL2+, ADSL2 and ADSL.

Wi-Fi Speed Up to 300Mbps

With 300Mbps wireless speeds on the 2.4GHz band and 4 megabit LAN ports, the TD-W9960 is perfect for streaming in HD, online gaming and other bandwidth-intensive applications.

Easy Setup and Management

Set up the TD-W9960 in minutes thanks to its intuitive web interface and the powerful Tether app. Manage network settings, including Parental Controls and Access Control, from any Android or iOS device. Control your home network whenever and wherever you are.

Powerful Antennas

Two external 5dBi high-gain antennas beam signal to every corner of your home, creating a strong, stable Wi-Fi network.

6kV Lightning Protection

Lightning protection shields TD-W9960 from electrical damage caused by thunderstorms, so even in bad weather, you can enjoy internet with peace of mind.

Secure Surfing

Parental Controls limit the online time and access of specified devices. Guest Network creates a separate Wi-Fi network for visitors, keeping your main network secure.
