powerful hardware, it allows easy installation of apps directly on the device - making it a all-in-one solution. Thanks to Power over Ethernet (PoE), both power and data are delivered through a single cable, simplifying installation and reducing additional cables. With a built-in quad microphone and 5W speakers, the TW3226AS-B3P delivers seamless, modern interaction in any smart space. Additionally, it integrates effortlessly with iiSignage2 , iiyama’s Content Management System (CMS), giving you full control over your messages and advertising, in landscape portrait and face-up position.
