Introducing LinkBuds Open: With an innovative ring driver, these earbuds offer a unique listening experience, allowing you to hear your surroundings perfectly while enjoying your music or podcasts.

The ergonomic design fits comfortably in the ear whilst the new air cushion holds each earbud securely in place. With each earbud weighing just 4.8g, LinkBuds Open are ideal for all-day use, as well as sports.

Enjoy perfectly balanced, high-quality sound with the specially designed 11mm ring driver. Sony's Digital Sound Enhancement Engine (DSEE) even restores high-frequency elements lost during compression, so every track is upscaled.

With the easy-to-use EQ in the headphones app, you can tailor the sound to your taste.

These wireless earbuds deliver up to 22 hours of uninterrupted playback (8 hours from the earbuds + 14 hours from the case). The quick charge feature provides 1-hour playback from just a 3-minute charge.

Available in three colours, plus an additional five cover colourways (sold separately), you can style them your way.

Multipoint Connection allows you to connect two Bluetooth devices at once and seamlessly switch between them, and there are multiple easy control options, including tap, voice commands, or the app on your smartphone.

And finally, LinkBuds Open are made with the environment in mind. Not only are recycled plastics used in the earbuds and case, but the packaging is 100% plastic-free.
