Experience the Sony WH-CH720N Noise Cancelling Wireless Headphones – Superb sound for every song, in a style that suits you. Choose from Black, White, Blue, or Pink.

Our Integrated Processor V1, also featured in the award-winning WH-1000XM5, delivers an authentic listening experience, preserving the intricate details in your music with minimal distortion. The Digital Sound Enhancement Engine (DSEE) brings digital music files closer to the original recording for richer sound.

With 360 Reality Audio certification, the WH-CH720N surrounds you with immersive sound, while the Sony | Sound Connect app allows you to customise the audio to your personal taste.

With comfortable earpads, a lightweight design of just 192g, and an astonishing battery life of up to 50 hours, these headphones are built for all-day wear. And when it finally runs low, the quick charge feature gets you back to your music in no time.

With Multipoint Connection, you can link two Bluetooth devices simultaneously, while Swift Pair and Fast Pair provide quick and easy connection to your devices.
