EAN: 4948570121458

Product Code: 612334

R4,238

The demanding data and application-heavy world needs a display that creates a more productive work place. With 1920 x 1200 resolution, the XUB2395WSU offers 11% more height with the same width as a Full HD display, which works much better for spreadsheets, word documents and browsing the Internet. The height adjustable stand with PIVOT function allows you to easily adjust the monitor position to your preferences and the IPS panel technology assures accurate and consistent colour reproduction with wide viewing angles.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice.
