Advanced Open-Ear Design

Unlike traditional headsets that cover your ears and cut you off from your surroundings, OpenComm2's open-ear design keeps you connected to the world without compromising on comfort or audio quality.

Lightweight and Easy

The OpenComm2 is remarkably light and portable, weighting only 35g.

Effortless Comfort

With a flexible wraparound frame and soft silicone finish, the OpenComm2 delivers easy, effortless, all-day wear.

Capture Every Word with Clarity

Crystal-Clear Calls

Bring conversation to life and take calls with crystal-clear audio, thanks to a noise-canceling microphone with DSP technology that brings your voice to center stage. cVc technology identifies and balances vocals by filtering out ambient noise for end-to-end high fidelity. For even more precision, the slim and easily adjustable boom mic can be positioned for optimal voice capture and rotated away when not in use.

Outstanding Audio Quality

Never miss a word during important calls with 7th generation bone conduction technology and PremiumPitchTM 2.0. The headset accurately picks up and equalizes medium and high-frequency vocals, ensuring you hear every word distinctly and without distortion.

Be Alert, Stay Aware

Stay safe and engaged whether you're working outdoors, in the office, or on the go. The OpenComm2 delivers crystal-clear calls, unrestricted mobility, and total vigilance, so you experience situational awareness and a stable connection no matter where your work takes you.

On-the-go mobility

Our signature open-ear design helps you stay safe and aware of potential hazards when you're on the road.

In-office efficiency

Enjoy seamless communication and connectivity for optimal productivity in busy office environments.

Efficient Operations

Our signature open-ear design helps you stay safe and aware of potential hazards when you're on the road.

Roam Free, Always Connected.
Stay effortlessly connected with the Shokz OpenComm2, thanks to reliable Bluetooth connectivity. With an impressive wireless range of up to 30m/98ft, you can move freely without the need to remove your headset. Enjoy the freedom to sync with your colleagues, run errands, or walk the dog all while maintaining a secure and uninterrupted connection.

User-Friendly Integrated Controls

Integrated headset operations reduce PC or mobile device controls to simplify functionality. Simply press a button to adjust the volume, mute and unmute during calls, play or pause audio, check the battery level, and more.

Charge-up Fast with Power to Last

High-sensitivity technology delivers long-lasting battery power. Master uninterrupted communication so you can be online anytime, anywhere.

Moisture-Resistant Durability

Worry less about splashes and light spills with IP55 water-resistant durability and the microphone's water-resistant acoustic mesh.

Free to Move. Seamless to Connect.
Stay seamlessly connected on the go with the OpenComm2. Enjoy crystal-clear calls, stable connectivity, and unrestricted mobility, all while staying aware of your surroundings with our signature open-ear design.
