technology and ROG Omni Receiver. The Strix Scope II 96 Wireless also comes with hot-swappable pre-lubed ROG NX Snow & Storm mechanical switches and a unique silicone dampening foam design with integrated switch dampening pads for a great typing experience. Get ready for a premium experience with maximum versatility and unlimited options for customization.

96% Layout

Retaining full functions and number keys from a standard 100% keyboard, the layout is redesigned to be more compact and efficient that frees up your desk space.

Versatile Tri-Mode Connection

ROG SpeedNova wireless technology offers up to 1,500+ hours of stable, uninterrupted near-zero-latency gameplay in 2.4 GHz RF mode (RGB off). Alternatively, you can use Bluetooth mode to connect to up to three devices at the same time, or charge and play simultaneously in wired USB mode.
