ROG Azoth 96 HE

Transcend To Adapt

The ROG Azoth 96 HE is a wireless analog gaming keyboard that packs pro-level performance into a sleek, compact 96% form. Equipped with hot-swappable ROG HFX V2 magnetic switches and a next-gen ROG Hall sensor, it ensures lightning-fast input detection and consistent responsiveness. Tri-mode connectivity lets you seamlessly switch between up to five devices, with polling rates of up to 8000 Hz. A vibrant OLED touchscreen and intuitive knob put system settings at your fingertips, while a six-layer dampening design ensures every keystroke feels soft, stable, and satisfying. Wrapped in a premium metal top frame and finished with signature ROG keycaps, this board isn’t just built to

play—it’s built to flex.

Compact 96% Form Factor

The layout of the ROG Azoth 96 HE offers a balanced blend of efficiency and functionality. Measuring only a centimeter wider than a standard TKL (tenkeyless) keyboard, it offers a full numpad and functions such as Print Screen, Screen Lock, Home, and End, making it suitable for both work and play.
