complement of I/O ports, whether you are in the office, commuting or traveling, you will enjoy all-day power and productivity.

Shine Bright

The slim and lightweight Modern Series feels every touch on its curved body, providing the perfect grip. Urban Silver mirrors the beauty of the future and technology, Platinum Gray embodies the shimmering of the galaxy, and the Modern Series intertwines light with shadow hues to create a mesmerizing play of light and shadow.

Run Efficiently, Stay Productive

Featuring up to the latest Intel® Core™ 7 processor, the Modern Series offers higher performance, delivering stunning results and lightweight portability that seamlessly keeps you in the workflow. You can also benefit from a dual memory design of up to 64GB, providing enhanced flexibility and efficiency in any user scenario.

A New Wave of AI Era

Manifest your imagination - Copilot works with you to write, edit, summarize, create content - and even give suggestions. MSI AI Engine automatically tunes your laptop to the most optimal settings. Harness the AI power anytime, anywhere.

Copilot

Whether you’re writing, communicating, coding, designing, or just browsing, Copilot will be at the ready to respond to your request. Get inspired, turn ideas into content, and amplify your skills with a simple right-click, conversation, or a hello.

MSI AI Engine

MSI AI Engine is able to detect user scenarios and automatically adjust hardware settings to achieve the best performance. With simple AI tuned modes and resources, you can focus on the important things like creating, work and entertainment.

Extended Battery Life

No more anxiety - if you forget to carry annoying dongles and adapters, the Modern Series has the day-long stamina you need and support USB-C PD-charging to charge battery fast and efficiently.

Convenience at Your Fingertips

Modern 14 is designed to cater to your diverse needs, across various scenarios on mobility. Now with an upgraded, larger touchpad, backlit keyboard with 1.7mm key travel, and 180° lay-flat Flip-n-Share function. You can also close the laptop's camera through the physical Webcam Shutter to ensure a safer and private experience.

Extend Your Work Space

Connect two extra monitors via HDMI™ and Type-C ports for a triple-screen setup (Matrix Display 1+2) , boosting your productivity with seamless multitasking.

Seamless Connectivity

Enjoy ultra thin and light with zero compromise. The Modern Series includes all the essential full-function ports you need for fast and seamless on-the-go connections, you can easily connect all your current peripherals, displays and projectors, increasing working efficiency.

All-in-One Functionality

The MSI Center S provides a new interface which is simpler and more effortless. Taking optimization to the next level with easily adjustable system modes and resources for a wide range of scenarios and needs.

Extraordinary Wireless Experience

The Wi-Fi 6E delivers stunning speed while keeping the network smooth and stable, even when sharing the network with numerous users. With its outstanding throughput and low latency, you can always enjoy smooth streaming of online videos, or transfer large file.
