

LG 27U730A- B.AEU 27inch UHD IPS 60Hz HDMI DP USB-C

Model: 27U730A-B.AEU

Manufacturer: LG

EAN: 8806096506806

Product Code: 670119

R5,106

The LG UltraFine 27U730A-B monitor features a 27-inch display with a native resolution of 3840 x 2160, delivering crisp visuals. Its IPS technology ensures vibrant colors and wide viewing angles at 178 degrees both horizontally and vertically, making it suitable for collaborative work or presentations. With HDR10 support, 90% DCI-P3 color gamut, and anti-glare coating, users can enjoy a rich viewing experience for gaming, media consumption, or professional tasks.

Equipped with a USB hub and 90 W of USB Power Delivery, this monitor enhances connectivity options and allows quick charging of devices without sacrificing performance. The ergonomics of the monitor allow for height adjustment, tilt, and swivel, accommodating different workspace setups. This monitor includes functionalities like Flicker Safe and Reader Mode to reduce eye strain, ensuring comfortable usage over extended periods.
