The Lenovo ThinkPad X9-14 Gen 1 is designed to elevate the productivity of professionals and power users alike. Featuring a 14-inch OLED display with a 100% DCI-P3 color gamut and Dolby Vision, it delivers visuals that capture every detail with clarity. The device is equipped with a powerful Intel Core Ultra 5 processor and 8-core architecture, enhancing multitasking capabilities and performance. The laptop's robust build, crafted from aluminum and MIL-STD-810H tested, ensures durability without compromising on style.
