around you with ANC with Smart Ambient. Need to take a call? Two beamforming microphones and JBL’s Noise Suppression algorithms will make sure you’re always heard in any environment.

JBL Tune 780NC and 680NC are a fresh take on the JBL Tune look fans know and love. Sleek hinges in a metallic finish and the embossed logo detailing bring a refreshed, refined look to an already iconic JBL design. Pick Tune 780NC if you prefer over-ear, or Tune 680NC if you prefer on-ear. With classic Black or White, or fun new Blue or Beige colorways, there’s a style to match every vibe.
