Pure bass, wireless

Ease into your sound with the style, comfort, and freedom of JBL Tune 730BT wireless headphones. With their sleek over-ear design and bold profile, they don’t just sound great—they make a statement. Soft, cushioned earcups surround you in JBL Pure Bass Sound, delivering powerful audio and all-day comfort you can sink into. With up to 76 hours of battery life, you can listen longer without slowing down. And if you’re low on power, a quick 5-minute charge gives you up to 5 more hours of playtime. With 2 mics that accurately pick-up your voice, calls sound perfect on both ends. Seamless Bluetooth® connectivity lets you switch effortlessly between devices, so you’re always

connected to what matters. Personalize your sound with the JBL Headphones app, guided by clear voice prompts that make setup simple. Foldable, lightweight, and crafted to complement your style, Tune 730BT headphones are made for those who want more sound with more presence.

Shape the music to match your hearing profile with Personi-Fi 3.0, and tune in and out of the world around you with ANC with Smart Ambient. Need to take a call? Two beamforming microphones and JBL’s Noise Suppression algorithms will make sure you’re always heard in any environment.

JBL Tune 780NC and 680NC are a fresh take on the JBL Tune look fans know and love. Sleek hinges in a metallic finish and the embossed logo detailing bring a refreshed, refined look to an already iconic JBL design. Pick Tune 780NC if you prefer over-ear, or Tune 680NC if you prefer on-ear. With classic Black or White, or fun new Blue or Beige colorways, there’s a style to match every vibe.
