

Jabra Engage 75 SE - Mono, EMEA Low Power

Model: 9656-583-111-1

Manufacturer: JABRA

EAN: 5706991030983

Product Code: 762900

R8,943

Jabra Engage 75 SE

Engineered to be the world’s most powerful professional wireless headsets.

Industry-leading wireless performance.

Provides superior wireless connectivity to a range of 150 meters/490 feet, enabling 3x more users in the same office space – with no loss in connection quality. Work away from the desk and still maintain a connection that won’t let you, or your customers, down.

Use as a corded headset

Enjoy the best of both worlds, with the option to work wirelessly or corded. Use a regular USB-C cable or choose a recommended Jabra USB cable accessory to work corded.*

* When used as a corded device, the headset does not support headset call controls or busylight functionality.

Enhance customer experience.

Crystal-clear calls.

Advanced noise-cancelling microphone and enhanced speakers deliver crystal-clear calls even in noisy offices.

Constant sound levels throughout the day.

Keep the sound level at a comfortable and consistent level throughout the day. Simply set the volume on your headset to your preferred level, and every call will be initiated at the desired sound level for all day comfort

Takes security in wireless calls to the next level.

Patented pairing. 256-bit AES encryption. 128-bit authentification. DECT Security Level C.

Increase productivity.

Less interruptions.

The busylight acts as a do-not-disturb sign for colleagues.

All day battery life.

Up to 13 hours' talk time - and when you do need to charge, the fast charge feature powers the headset to 40% in just 30 mins.

All day battery life.

Up to 13 hours' talk time - and when you do need to charge, the fast charge feature powers the headset to 40% in just 30 mins.

Increase availability for calls.

Connect to up to five devices at once.

You can connect to desk phone, softphone, analog phone, and 2 Bluetooth devices.

Modern base, small footprint.

Intuitive touchscreen base for ease of use, showing connected devices, battery life and call controls.

Seamless call experience.

Premium usability and build.

Easily answer and end calls, mute and adjust volume using the intuitive controls on the headset.

Jabra Software

Rich call analytics

The Jabra Engage wireless headsets leverage Jabra software* to enable IT managers to drive customer satisfaction with data driven decisions.

* Jabra Xpress and Jabra SDK

Use Jabra SDK for:

Background noise levels

Audio exposure

Speech analytics

Busylight customization

Headset interaction logging

Hearing Protection

Jabra Engage Wireless features high levels of hearing protection which is key for heavy users. This includes PeakStop™ which eliminates potentially harmful sudden sound spikes; Intelligent Acoustic Shock protection which removes potentially harmful sounds; and IntelliTone™ 2.0 which maintains average sound levels below predefined thresholds through the day. For more information on these and more innovations to safeguard intensive headset use, download our Hearing Protection white paper.

Engineered to deliver more power for your conversations.

40 engineers spent more than 115,000 hours in Research and Development to create the world's most powerful professional wireless headset, registering 4 unique patents to Jabra in the process.

Jabra+

Make device management simple

View, manage, control and update all your devices in one place, with Jabra+. Our comprehensive device management platform makes it easy for you to ensure your teams can get down to business with minimal device downtime or disruption, wherever they are.
