Up for Any Task

Do it all with an Intel® Core™ Processor¹ and NVIDIA® GeForce RTX™ 2050¹ paired with up to 32 GB¹ of LPDDR5 RAM¹ and a spacious 1TB¹ M.2 SSD. The aid of Intel® Unison™ helps to ensure peak productivity.

Breakthrough Real-World Performance

Take a revolutionary leap into real-world performance with an innovative hybrid architecture that distributes processing power to where you need it most.

PC and Phone Integration

Intel® Unison™ seamlessly connects with your choice of phone. Transfer files & photos, send and receive calls & text messages, and receive & manage phone notifications all from your PC.

Ultra-Comfortable Clarity

Choose from 14", 15.6", 16" or 17.3" displays, offering up to 1440p QHD¹ resolution. Slim bezels provide an expansive view, while Acer BlueLightShield™ safeguards your eyes during long work or study sessions.

A User-Centric Experience

Aspire laptops are equipped with user-centric AI features, including a Copilot in Windows key^{1, 2} for easy access. Enhance your video calls with Acer PurifiedVoice™ and PurifiedView™ on a 1080p webcam and dual digital mics for seamless communication.

Versatile and Light

With a range of I/O options, easily stay connected with Thunderbolt 4 Type-C¹, HDMI 2.1, Wi-Fi 6E¹, and Bluetooth 5.3 with LE audio support¹. All in a thin and lightweight aluminum¹ design made for convenience and versatility on the go.

Unlock More with AcerSense™

A versatile tool for a smoother, more user-friendly experience, AcerSense™ lets you take control and maintain your system at the touch of a button. Simply press the AcerSense Key at the top of the keyboard for instant access.

The Home Page

Monitor your system usage on the AcerSense™ homepage, and choose between Performance, Normal, and Silent modes.

Check Out the Experience Zone

Access all the AI-enhanced features available to your device, such as Acer PurifiedView™ and PurifiedVoice™ within the AcerSense Experience Zone.

Optimize Your Performance

Easily manage your battery life and optimize its performance with health monitoring, along with system updates, an app store, and much more.

Kinder to the Planet

Packaged in 100% recyclable materials^{1,3} and FSC-certified paper, Aspire also features a back cover made from 30% recycled plastic. It holds both Energy Star certification and EPEAT Silver^{1,4} registration, making it a more responsible choice for you.
