A top choice among Chromebooks for education! A reliable laptop for school with robust performance, MIL-STD 810H durability, eco-friendly features, modular build, fast charging, and seamless connectivity. Perfect for students and classrooms.

Powerful and Efficient

Power through classwork effortlessly with the latest Intel® processor, supporting up to Intel® Core™ 3 Processor N355. It delivers a perfect mix of power and efficiency on a 14” FHD screen, ideal for today’s fast-paced classrooms.

Cost-Efficient Design

Minimize downtime and expenses with a serviceable USB Type-C charging port, a replaceable keyboard, and fast-charging2 technology that powers up for the entire school day.

Built to Last

Built tough with MIL-STD 810H certification, a spill-resistant keyboard, reinforced brackets, and shock-absorbing bumpers—perfect for withstanding rough student use. Eligible for 10 years of updates from Google, ending in June 2035.

Seamless Connectivity & Easy Management

Stay connected with Wi-Fi 71, USB-C and USB-A ports, and HDMI. Simplify IT with zero-touch Chrome Education Upgrade for hassle-free device setup and management.

Eco-Friendly Design

Eco-friendly inside and out! Features an OceanGlass™ touchpad from recycled plastics, PCR materials, and sustainable pulp packaging—good for learning, better for the planet.

Secure and Portable
