Model: K97464WW

Manufacturer: KENSINGTON

EAN: 085896974642

Product Code: 764906

R1,345

The Classic EQ USB-C® Headset with Mic and Volume Control offers exceptional value through its comfortable and durable design. Featuring an adjustable padded headband, it fits users of all ages, while plush foam earpads wrapped in soft leatherette ensure hours of comfortable use. The noise-cancelling design supports clear communication and inline volume and mic controls enhance convenience. Built for durability, the headset includes a robust 2m (6.6') nylon braided cord for flexible movement and is compatible with the latest USB-C® devices. The 40mm drivers deliver stereo sound and the headset keeps audio output within safe limits to protect your ears. The flexible boom mic can be worn on either the left or right side, adding to its versatility. The plastic used in this headset contains 36% post-consumer recycled (PCR) content.* Includes 2-year limited warranty. *Excludes Printed Circuit Board (PCB) assembly.
